FRIDAY MARCH 24 1944

NUMBER 14

Local Lions Club Hold Ladies Night

The Raymond Lions Club held Ladies night at the Opera House Monday March 20. Pres. Golden Snow was in the Chair. "Oh Canada" was sung followed by prayer by Lion Wm. Wilde.

Address of welcome by Pres. Snow.

Lion M. T. King led the Club members in the Lions Roar in honor of the invited guests, which was followed by community singing under the leadership of Lion J. P. Strong.

Lion Ira McBride Chairman of Program Committee introduced the Executive of the Club then quietly asked them to sing "Pistol Packing Mama" which they did with a vengeance.

Gloria Veen played two piano solos which were enjoyed by all present.

Winnie Mitchell then sang "I'm Going Back to Where I Come From" which was encouraged.

The Executive were called on for another number and the boys came through with "Maizey Doats" much to the surprise of the audience.

This part of the program was closed by singing the National Anthem and the rest of the evening was spent in dancing.

SEVENTIES TEMPLE EXCURSION

The Council of the 145th Quorum of Seventies are arranging a Temple Excursion for Wednesday of next week, March 29th. It is asked that every member of the Quorum get in touch with their group leaders at once and inform them of their intention in respect of call from the Quorum Council.

As all are aware it is asked that every member of the Melchizedek Priesthood Quorums do at least two charity names in the Temple this year and the Seventies Council feel that this would be an opportune time to get this work done before every one gets so busy.

There are three sessions Wednesday at 9:00, 2:30 and 7:00 and all could get in their two sessions even by leaving Raymond at 1 p.m. Report to your group leaders at least by Sunday morning so arrangements can be made.

AT THE FRONT

When listeners hear the voice of Matthew Halon, Marcel Oumet, or any of the other C B C correspondents reporting from the bottle area, it's because the Unit's engineers have plenty of pluck and steady nerves. For without the engineers the front-line broadcast would not be possible. Here is Lloyd Moore, member of the engineering staff in Montreal, now on duty overseas.

ORANGE AND BLACK STICKERS FOR YOUR CAR THIS YEAR — RUSH FOR LICENSES

Passenger car licenses went on sale with a rush at the department of the provincial secretary here last Wednesday as district motorists thronged into the office to receive authority to operate their automobiles for another year of war-restricted travel. Officials of the department expect that the office will be jammed with applicants up until April 10.

The new licenses, of the stick type, are orange with black lettering, and are carried on the upper right hand corner of the windshield and the lower right hand corner of the back window. The dimensions of the stickers are 2 1/2 by 5 1/2 inches.

For the license year of 1944-45, registered owners are required to retain the use of their motor vehicles the 1943-44 number plate. The number on the stickers and the certificate of registration must correspond with the number on the 1943 plate.

Registered owners with 1943 44 license plates are requested to apply to the same issuing office from which they obtained their last year's license plate, in order to secure stickers of the same number to agree with the number on the plate.

NOTICE

Aspecial meeting of the Vets organization will be held in the Second Ward Hall on Monday March 27th at 8 p.m. for the purpose of forming a Next of Kin Organization, so it is very important that all parents and relatives of the boys and girls in the Services be in attendance. A special urgent appeal is being made to you parents to support this meeting. Please be in attendance on Monday March 27th 1944.

MUSICAL REVUE APRIL 3rd

Sponsored by the Lethbridge Kinsmen Club, and appearing here under the auspices of the local Lions Club, the Musical Revue, in aid of the "Milk for Britain Fund" will be at the Opera House on Monday evening of April 3rd, and everyone should attend.

Southern Alberta has been combed for talent for this program, and an hour and a half of first-class entertainment is promised. All receipts from this revue are going to the fund without any deductions at all, and everyone is urged to attend and enjoyed the evening and assist the fund which is doing so much for the children of Britain who are so underprivileged because of the horrors of war. Before you decide not to go, just think what your money will do to help some child, and then think how you would feel if it were your children that needed the help and were in similar circumstances.

MUSIC CLUB MEETING

The regular meeting of the Music Club was held this week at the home of Mrs. Maybelle Anderson, with Mrs. LaVerne Anderson as assisting hostess. The meeting opened by singing "When Irish Eyes are Smiling." Mrs. LaVerne Anderson then gave a lesson in beating

Ration Book Distribution Next Week

Ration Book No. 4 will be distributed from the Town Hall next Wednesday, Thursday and Friday, March 29th, 30th and 31st, from 9:30 a.m. to 5:30 p.m. each day. Mrs. Ira McBride has this in charge, and if ladies of the Town have time to assist in this work, if they would call Mrs. McBride at 143 and let her know what time they could assist, she could make up her time table accordingly, and also give them their instructions regarding their work.

As this work is all voluntary and without pay to anyone, may we make a few suggestions. Fill in the card in the back of each book before you go for your new book. This will save a great deal of time, and mistakes, because you can take your time at home. Just follow the instructions as to how to fill

Children under 16 CAN NOT get new ration books for any family. Any adult, or person over 16 may get the new book for his or her family, or for neighbors, if the cards in the back of each old book are properly filled out.

The old books must be taken to the issuing office, and the clerks there will detach the card and fill out the front of the new book, and then return the old and new books to the owners so that unused coupons in the old book may be used up.

Remember these dates, AND BE SURE AND GET YOUR BOOKS. Unless they are obtained during this period there will be quite a delay before they can be obtained through the mail. LET'S ALL CO-OPERATE

NEWS NOTES

Mr. and Mrs. Lee Brewerton were Calgary visitors Thursday on business.

Home missionary appointments were filled in both wards last Sunday evening and very interesting meetings were held.

Baby chicks are arriving now on every express and owners are busy getting them habituated and started on the way to strong, healthy chicks.

Jos. Kirkham is expecting 2,000 baby chicks on today's express. He will be a busy man for awhile looking after the needs of that flock.

The local High School Basketball team defeated Barnwell last Friday night by a big margin in their game here. It was interesting but the local boys had the lead all the way.

Kite flying is the order of the day night now and all week kids, large and small have had their kites in the air whenever the wind has been right.

Alex Smith is progressing nicely following his recent operation and expects to commence work again about the first of the month.

A wet snow Monday morning, lasting until almost noon, and another bluster early Tuesday morning made roads nice and muddy, but has added valuable moisture to the land. We hope for more.

Rulon Dahl has been in Eastern Canada this week, representing this district in the delegation that was sent east by the stock growers meeting last Wednesday in Lethbridge to interview the Dominion respecting markets and prices of live stock. The delegation is expected home this week end.

of tire, and Mrs. Emma Dahl lead the Club in the practising of "Lassie O Mine" and also "Forget Me Not."

The meeting was then adjourned by Mrs. Dora Thompson and a dainty lunch was served by the hostesses. Mrs. Jensen was a guest at the meeting. The next meeting will be held at the home of Mrs. Alvin W.

Rotarians Hear Talk On "Land"

Monday was 'Farmer's Day' at Rotary and about forty Rotarians and their farmer guests gathered in the Sugar Bowl to enjoy each other's company and partake of the splendid luncheon prepared by Mrs. Layne.

The speaker of the day was Wallace R. Hansen, District Agriculturist of Cardston, who spoke on the subject of "Land" as it applied to everyone in all the ages of world history.

Preceding the talk Miss Winnie Mitchell, with Mrs. Kay B. Redd at the piano, sang two vocal numbers which were very much enjoyed by the group.

The speaker introduced his talk by speaking of changing trend in extension work, stating that an extension worker should endeavor to make every farmer in his district a successful farmer. If the farmer had

WAR SAVINGS CERTIFICATE SALES IN ALBERTA SHOW SUBSTANTIAL INCREASE IN JANUARY

The sale of War Savings Certificates showed a marked improvement in the Province of Alberta for the month of January as compared with the previous month, in spite of the fact December benefitted by Christmas sales of Certificates said F. E. Spooner, Director of War Savings Certificates, National War Finance Committee, for the Province of Alberta.

The total sales in Alberta for January were 19,871 applications for \$359,840.00 through the various Certificate outlets. Through the Banks and Trust Companies 11,199 applications for \$122,241.00; and through business establishments who have adopted the Payroll Savings Plan for employees, and Post Offices, the sales were 672 applications for \$273,599.00; or an average of \$7.21 per application as compared with an average of \$7.08 for all of Canada for the month of January.

A further substantial increase in the sale of Certificates through the Banks, Trust Companies and Post Offices from month to month is anticipated. This applies also to business establishments throughout the Province who operate the Payroll monthly savings plan for the convenience of their employees.

The best investment Canada has to offer today is War Savings Certificates. The earning power of which is equivalent to 3 p.c. compound twice annually, and they are exempt from income tax. The purchase of War Savings Certificates monthly is the simplest and easiest way to save for the future and their value increases to date of maturity.

NEWS NOTES

Mr. and Mrs. J. L. McShew have received word from their son Billy, in England that he has received his commission and is now working as an instructor in their home land.

A surprise farewell party held in the First Ward Tuesday evening honoring Mr. and Mrs. Liddell Roberts, who are leaving about April 1st for the Rosemary district where Liddell has bought himself a farm. About 50 people participated in the party and wished them success and happiness in their new home.

SONGSTRESS

Eleven top-flight Canadian radio entertainers, including attractive songstresses Francine Cramer (above) make up the company of broadcast stars who twinkle through the afternoon programs of The Lip on-aires, Monday to Friday at 3:00 p.m. CDT. The show's musical director is Jack Allison, a Canadian boy who once sang with Valle's gang.

HANDICAPPED CHILDREN

Do you know that Alberta children who are blind or deaf need not, because of this handicap, remain without an education? While there are no special schools for the education of such children within the province, the Government makes a generous provision for their training at special schools in other provinces. Those who are blind go to the Ontario School for the Blind at Brantford. During the present year 41 young Albertans who are deaf are in attendance at MacKay School in Montreal. Recently the Deputy Minister of Education visited this school and received a great welcome. The children wished all the news

from Alberta and he was kept busy for more than half an hour answering questions. MacKay school is a private institution founded years ago for the English speaking deaf of Quebec. Recently it has been enlarged so that it is now in a position to accept students from other provinces. Dr. McNally reports that our children are all well, very comfortable and happy.

The Department of Education requests that anyone reading this news item will bring it to the attention of any parents of children either blind or deaf. It frequently hears of families who know nothing of this educational service. Provision is made for transportation, maintenance and tuition of the pupils. Costs to the parents will include clothing and pocket money. The Department will be grateful to anyone furnishing information of such children.

It is expected by some scientists that the future will see the weather forecast for months in advance. It is claimed that all that is necessary to make this possible is sufficient observation stations at the required locations.

THAT EDITORIAL "WE"

A subscriber to a country weekly, being displeased with some remarks made by the editor, went to his office to give him a thrashing. How well he succeeded is given in the editor's own words:

"There was a blow; somebody fell. We got up. Turning

upon our antagonist, we succeeded in winding his arms around our waist, and by a quick maneuver threw him on top of us, bringing our back at the same time in contact with the solid bed of the printing press. Then, inserting our nose between his teeth, and cleverly entangling his hands in our hair, we had him."

RATION BOOK 4

—WHEN AND WHERE YOU GET IT

Distributing Centres will not be open on all days of next week. Make sure that you know exactly what days and hours the Distributing Centre you intend to go to will be open. Help the volunteer workers by following instructions carefully.

RAHON BOOKS WILL NOT BE MAILED OR DELIVERED — THEY MUST BE CALLED FOR

HERE IS WHAT YOU DO TO GET YOUR NEW BOOK

- 1 Fill in the application card—the first post-card in your Ration Book 3. Do this at home. The application card is printed in red and is numbered RB-99. DO NOT USE ANY OTHER CARD. Follow the method shown.
- 2 Be sure to PRINT clearly, accurately and completely all information required on the card. BECAUSE THERE ARE NO COUNTIES IN WESTERN CANADA, IN LINE 5 STATE THE MUNICIPALITY (URBAN OR RURAL IN WHICH YOU ACTUALLY RESIDE, REGARDLESS OF YOUR POSTAL ADDRESS.
- 3 Sign at the bottom with your usual signature. Persons of 16 years or over must sign their own cards. Cards of persons under 16 years must be signed by parents or guardians.
- 4 Applicants must bring their Ration Books with them to the Distributing Centre. Children under 16 may not apply for Ration Books for themselves or for other members of the family.
- 5 Do not detach application card from your Ration Book. This must be done by an official at the Distributing Centre. If accidentally detached, bring the application card along with your Ration Book.
- 6 ARMED FORCES: All members of the Armed Forces, whether on permanent subsistence or not, will obtain their Ration Cards from their own Units.

On presentation at a Distributing Centre of your Ration Book 3, with properly completed application card, you will be issued your new Ration Book 4; and your Ration Book 3 will be returned to you.

WARNING: Be sure you get your new book while your Distributing Centre is open next week. Otherwise, you will not be able to obtain your new book until April 17.

ALBERTA PACIFIC AGENT

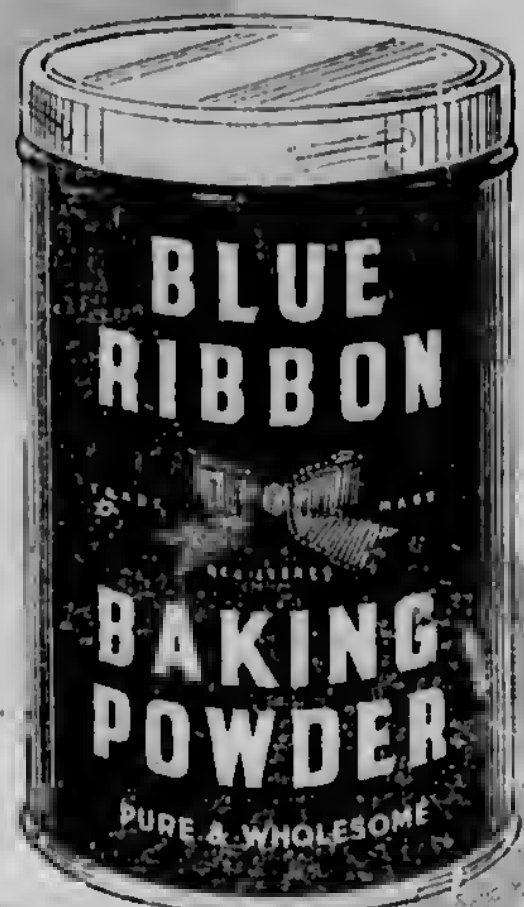

"And how high does your balloon go?" asked the old lady. A woman on board ship saw a man sitting in a deck chair. The sergeant scratched his head. "Funny you should say that ma'am," he replied, "I've been wondering about it all day. You see when we pulled it in this morning we looked up on top, and there, large as life, lay a blooming harp!"

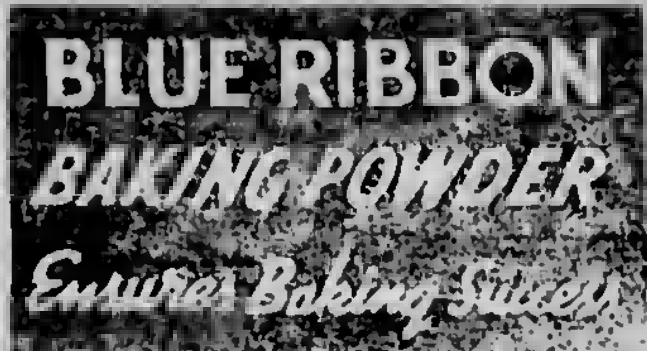

Approaching him, she said in a cheery tone of voice, "You are just the man we are looking for; all the married people are going to play bridge. The man looked up at her and meekly replied, "You're mistaken, lady, I'm not married. I'm seasick!"

OUR WEED PROBLEM

No sane farmer would doubt that we have a serious weed problem. Almost every farming area in the world develops a weed problem in the early stages. And the better the soil and crop conditions, the more acute the weed problem becomes. Weeds are not serious at Manyberries, being limited to a few annuals such as Russian thistles and tumbling mustards. In the Cardston and Pincher Creek areas it is a different story. Not only are there many more varieties of weeds in better farming areas, but there are pernicious long-lived perennials like Canada thistle, leafy spurge and hoary cross.

Weeds in south-western Alberta, and especially in the irrigated districts, are our biggest problem next to weather conditions—and we can't do anything about that. The serious annual weeds—mustard, stinkweed, and wild oats, have been with us for a long time and most farmers have learned how to grow crops in spite of them. But leafy spurge, Russian snapweed, hoary cross, and field bindweed are presenting a more serious problem. They are spreading rapidly and costing the owners of land where they are established, hundreds of thousands of dollars and still they are not under control.

The important thing to the farmer is: "What can we do about the problem?"

The answer is not simple, but it is reasonable. We must give up the hope of completely eradicating the weeds and settle down to control methods. Weeds will always be with us and we will have to learn methods of farming so that we can grow good crops in spite of weeds. Weed laws will never save us. They are necessary to prevent the occasional negligent farmer from infesting his neighbor's fields, but any methods directed merely at killing out the weeds will fail. Many had great hopes for chemical methods of eradication. This method is difficult and expensive, and can be economically used only on occasional spots that show up in an area, or on odd spots remaining after a year of black fallow.

The solution to the weed problem is a balanced system of cropping by which weeds can be controlled. It involves the problem of soil conservation and insect, and pest control, and must fit into economic crop production. It is foolish to work fallow until all the top soil blows away to eradicate the weeds. Weed control is very difficult under a one crop system.

Every farmer will have to work out a system of weed control along with prevention of soil depletion and pest control for his own farm. But certain fundamental principles must be used. First, clean seed must be used & weed seeds must not be scattered by machinery. Special efforts must be made to get annual weed seeds in a position so that they will germinate and be killed. Shallow tillage in the fall has been found useful, and this is good grain harrow and sawfly control as well. See hardy, short growing crops such as barley to control annuals. Summer fallow is effective in controlling weeds and also conserves moisture, but in using summer fallow it must be remembered that it must be kept black. The leaves manufacture food for the plant and every time the weed crop is allowed to establish leafage above the ground it is building plant food to store in the underground system. Effective control means keeping the plant below ground until it starves. Grasses and legumes in the rotation are the most important factor of all in weed control as well as in conserving soil in fertile condition. Almost any good hay or pasture mixture will control Canada thistles and some other bad weeds. Crested wheat grass is the best weed competitor that has been used in this area. A good stand will wipe out most bad ones such as leafy spurge.

Weed control is a community problem. The sooner every farmer begins to think in terms of conserving his heritage some progress will be made. As long as farmers think of the soil as

ALBERTA'S LIQUOR SITUATION

The ALTA. LIQUOR CONTROL BOARD IS FACED TODAY WITH THE COLD MATHEMATICS OF TRYING TO SUPPLY MORE THAN DOUBLE THE NUMBER OF PERMIT HOLDERS WITH HEAVILY CURTAILED LIQUOR QUOTAS. GREATER DEMAND RATHER THAN REDUCED SUPPLY IS MAINLY RESPONSIBLE FOR THE SITUATION.

The Alberta Liquor Control Board purchased in 1942 base year, 242,611 gallons; actual sales in 1942—215,111 gallons. From these figures it is seen that the amount purchased was in excess of sales by 27,500 gallons, which went into stock. In 1943, the Alberta quota for liquor was 169,827 gals. (70 per cent of 1942 purchases). Of this

amount, only 157,009 gallons was received. Thus, the province received 12,818 gallons less than it was allowed under its quota.

The sales for 1943 totalled 218,207 gallons. The difference between the amount received and the amount sold was made up out of stocks on hand.

If You Employ Male Persons

Have they all complied with the
Military Call-Up?

Under an Order signed under authority of the National Selective Service Mobilization Regulations:

1. Every employer of male employees must make an examination of the documents of these employees, and forward advice on those who fail to produce documents showing good standing under Mobilization Regulations.
2. This examination must be completed by May 1st, 1944.
3. "EMPLOYER" includes industrial and commercial employers, and also farm operators.
4. "MALE EMPLOYEE" includes all male persons working for you, including relatives.
5. A booklet "EMPLOYERS' GUIDE," has been sent to industrial and commercial employers. A return post card has gone to farm operators.
6. If you employ any male person, and have not been notified of the survey by booklet or post card, contact the nearest Employment and Selective Service Office and ask for the booklet.
7. Obligation to make the examination rests on each and every employer of male persons, and employers must act.
8. Penalties are provided for failure to carry out this examination, and for male employees failing to assist by refusal to produce documents.
